Dear Ms. Wilson

I refer to your request for the approval of the Water Management Plan for Stage 1 of the Bayswater Power Station Upgrade. I also acknowledge your response to the Department's review comments and requests for additional information.

I note the Water Management Plan has been prepared in consultation with the NSW Environment Protection Authority and the NSW Natural Resources Access Regulator and contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Water Management Plan (Rev 1, dated 11 August 2022) for Stage 1 (Ravensworth pipeline) of the development.

Please ensure that the approved plan is placed on the project website at your earliest convenience.

If you wish to discuss the matter further, please contact Jack Turner on 9995 5387.

Yours sincerely
