20 August 2020

Powering  
Australian  
Renewables  
Fund

>Welcome

**Rob Hart, Chairperson**

# Covid-19 – Keeping your distance

Help stop the spread of coronavirus by keeping your distance.

Remember, don't shake hand or exchange physical greetings

Wherever possible stay 1.5 meters apart and practise good hand hygiene. Sanitiser can be found throughout the Bell Bunya Community Centre.

Water Bottles are available for meeting participants.

# ACTION ITEMS CARRIED OVER

Item	Action	Date	Who
1	Investigate mobile boosting options as an alternative to the construction of a mobile tower. Current technologies being used in CSG industry with great success, or fixed mobile booster antennas on residential houses under an AGL subsidised model.	10 June 2020	Clare Wilkes
