Updated August 2017

About AGL

AGL is committed to helping shape a sustainable energy future for Australia. We operate the country's largest electricity generation portfolio, we're its largest ASX-listed investor in renewable energy, and we have more than 3.5 million customer accounts. Proudly Australian, with more than 180 years of experience, we have a responsibility to provide sustainable, secure and affordable energy for our customers. Our aim is to prosper in a carbon-constrained world and build customer advocacy as our industry transforms. That's why we have committed to exiting our coal-fired generation by 2050 and why we will continue to develop innovative solutions for our customers.

About the Community Support Fund

Through our involvement in and support of local community initiatives, projects and events, AGL aims to deliver community wide benefits, encourage innovation in and support for issues of community significance, and build and maintain strong relationships throughout the communities in which we operate.

The Community Support Fund forms part of AGL's commitment to support the communities where we have project activities.

Support can be provided through sponsorships, donations and grants for projects that will benefit the community and align with AGL's values.

Application criteria and guidelines

Successful Community Support Fund recipients should meet the following criteria:

1. Be a legal entity, registered in Australia with a current ABN.

Groups that do not fit the above criteria can apply for funding through an auspice arrangement. An auspice agreement is an agreement where the organisation (the 'Principal Organisation') agrees to apply for funding on behalf of a second organisation (the 'Auspiced Organisation'). Application process timeline

All applications will be reviewed and assessed by the Moyne Shire Council's Assessment Panel and referred to AGL for a final decision.

Applications will be assessed based on the information provided in the application. The following process will be used in assessing applications:

- Applications will initially be assessed to ensure the eligibility criteria has been met and further information can be requested if required.
- Applications will be given a merit ranking on how well, in the Assessment Panel's opinion, the application demonstrates the delivery of an event, program or initiative that provides benefits to the Macarthur and Hawkesdale region.

Not every application that meets the assessment criteria will necessarily receive a grant.

AGL will receive the feedback from the Assessment Panel and make the final decision on which applicants will receive a grant. All decisions made by AGL are final.

Applicants may be contacted by AGL directly for the purpose of validating any aspect of the applicant's application.

The assessment process will begin once applications close.

These guidelines may be reviewed and amended at any time.

Successful Applicants

Successful applicants will receive a notification from AGL regarding the success of their application.

Unsuccessful Applicants

Unsuccessful applicants will receive a "Letter of Grant Decline" from AGL confirming the outcome of the application. Requests for additional feedback can be made by emailing AGLCommunity@agl.com.au. AGL encourages all unsuccessful applicants to apply for future rounds and to source other forms of support from other funding bodies.
