Lauren

With regards to AGL's application to modify condition B32 of the Nyngan Solar Plant development consent, please see attached a letter from Tim Riley, Manager Development & Environmental Services for Bogan Shire Council. I suspect that Tim meant to send this to letter to you rather than Elizabeth Burke at Crown Lands, however I have been unable to contact Tim to confirm.

In any case, as expected, this letter confirms that Council has no concerns with the proposed amendment.

Kind regards
Doug
