Silverton Wind Farm

Community Consultative Committee Meeting | 22 November 2012

Noise and wind farms

- > Presentation by Rhys Brown, Senior Engineer – Acoustics, AECOM

Project update

Expression of Interest

- > 5 entities have now been shortlisted from the original 9 responses received
- > This decision was based on a range of factors including:
 - > All have:
 - > Supplied turbines in Australia
 - > Constructed wind farms in Australia
 - > Operate and maintain wind farms in Australia
 - > Economic viability

Request for Tender

- > Expected to be issued on Monday 3 December 2012
- > Tenders close on Friday 29 March 2013

Project Update – sourcing sand and road base

- › Sand, Road Base materials, and concrete aggregate, and concrete is required
- › AGL is aiming to, where feasible, to minimise truck movements into the site
- › In October, an initial discussion was held with the Department of Primary Industries Catchments & Lands (Crown Lands)
 - › An extractive industry licence/s is required to extract sand from creek(s), and extract aggregate.
 - › Prior to obtaining the licence, a range of investigations are required
- › Sampling will be carried out at several locations to determine the suitability of the material

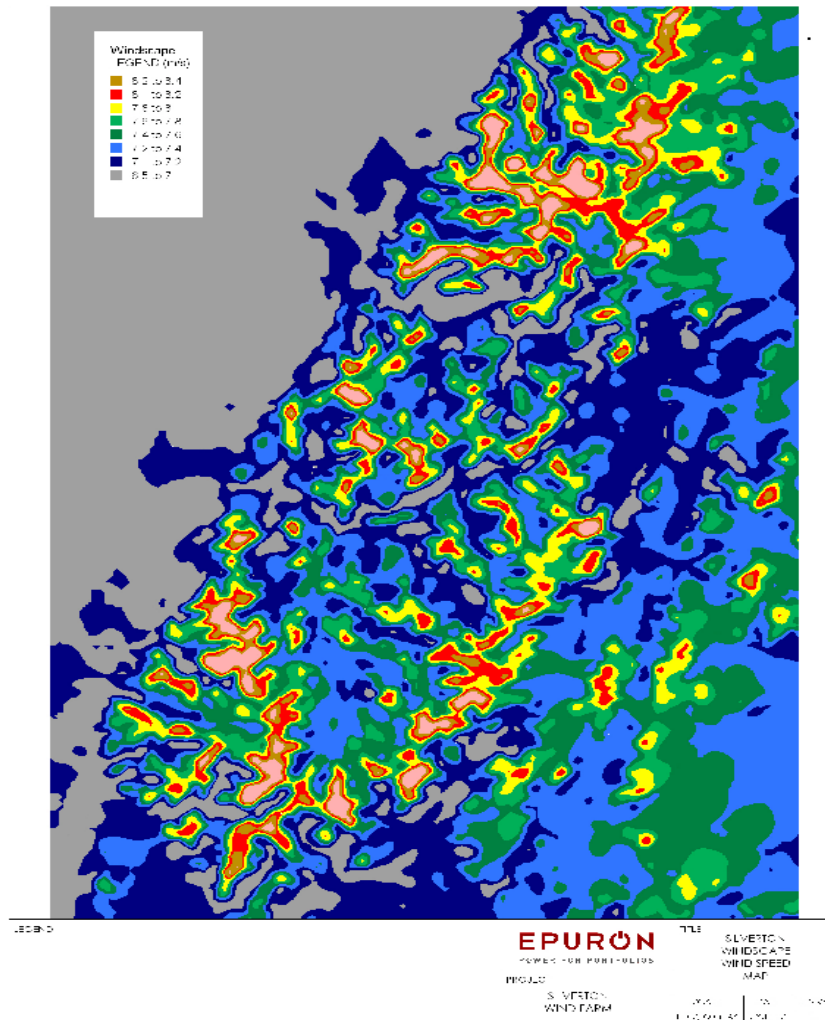

Water - discussion

- > Stephen Bastian, Manager Planning and Design, Water - Essential Water

Project Update – wind speed modelling

Windscape LEGEND (m/s)

Project update – turbine locations

aurecon

- > Tenderers will be asked for:
 1. Their best \$/ MWh price
 2. Options for having the following set back from the centre of Silverton:
 - > 5 km
 - > 5.5 km
 - > 6 km
 - > 6.5 km

Distance from Silverton (m)

Projection: AGD 1966 AMG Zone 54

Silverton Wind Farm **Principal's Requirements**

FIGURE A3-2: Distance from town

Project Update – clarification on oversized deliveries

- › The base of the turbine tower (the widest section) is approximately 4.5m wide
- › Note: the exact dimensions may vary slightly depending on the model used

Next meeting and close

- > When do we want the next meeting to be held in the New Year?
- > What topics do we want to discuss?
