Silverton Wind Farm

Community Consultative Committee Meeting | 25 July 2013

Welcome

- › Overview of meeting agenda
- › Confirmation of June meeting notes
- › Update on membership

Project Update

- > Deferred appointment of an EPC contractor
 - > Due to ongoing uncertainty around the 2020 Renewable Energy Target, with another review of the scheme legislated to occur in 2014
 - > Deferment impact survey to be sent out to CCC members and local community members shortly
- > How frequently would the CCC like to meet?

Discussion around health and wind farms

- › Discuss Professor Simon Chapman's presentation to the Coopers Gap Wind Farm CCC: Can wind farms make people sick?
- › A list of publications from Simon Chapman can be found in:
<http://sydney.edu.au/medicine/people/academics/publications/simonchapman.php>

Proposed Community Fund

- › Two documents on Community Funds:
 - › Draft Coopers Gap Community Fund document
 - › Hallett Wind Farms applications form

Other business

- > What other topics do we want to discuss in the future meetings?
- > How would you like to be updated on the project?

Next meeting and close
