About AGL

Proudly Australian for more than 180 years, AGL supplies energy and other services to more than 3.8 million customer accounts. We're committed to making energy, alongside other essential services, simple, fair and transparent. AGL operates the largest electricity portfolio in the National Electricity Market made up of traditional coal and gas-fired generation, and renewables such as wind, hydro and solar. We also operate gas storage and production assets. We're focussed on developing flexible supply, building on our history as Australia's leading private investor in renewable energy, to support the transition to a new energy system. We have a passionate belief in progress and a relentless determination to make things better for our communities, customers, the Australian economy and our planet.
