1. Your fuel type

This shows what fuel type your bill is for.

2. Your account details

Your account number shown here is specific to your account, and you should quote it when you contact us with any queries.

3. We're here to help

If you need to make any changes to your personal details, it's easy to do so at any time on **My Account** or the **AGL app**.

For queries about your account, or for tailored assistance and advice, visit agl.com.au/help or call us.

If you experience a power outage or an unexpected loss of energy supply to your property, we've made it easy for you to find the contact number for your distribution company.

4. Clearly see what to pay and when

This shows the amount you need to pay and the payment date or when your direct debit is due.

If you are on Bill Smoothing, you'll see your instalment amount and frequency.

5. Could you save money on another plan?

We'll regularly check our generally available plans against your past energy use to see if you're on one of our low-cost plans.

We'll let you know if another AGL plan could save you more and how much you may save by switching. If you're already on one of our low-cost plans, we'll let you know that too.

6. Key information about your bill

Here you'll find out whether this is an electricity or gas bill, how often we send your bill and the supply address.

7. Choose how to pay your bill

We've also made it easy for you to pay your bill online at agl.com.au/payments or on the **AGL app**.

We offer several ways to pay your bill including Direct Debit, which takes the hassle out of paying your bills and helps ensure you always pay your bills on time.

If you're paying by cheque, remember to cut off this lower section of the bill as marked and include it with the cheque when posting.

If you're paying in person at a post office, simply present your bill so the barcode can be scanned to record your payment.

8. Find your reference number

In the centre of the payment slip you'll find your reference number. You'll need to quote this, when requested, for some payment methods.

How we've worked out your bill

We've broken down your charges into a simple structure, so you can better understand how we've worked out your bill.

11. How we've calculated your usage

Here you'll find whether an actual read or an estimation of your usage has been used. Sometimes we might need to estimate your energy usage, rather than bill you on actual usage data. We'll give you more information on how to submit your own meter read, if this applies to you.

To find out more about estimated bills, visit agl.com/estimatedbills

12. View your bill period

This information is about important dates covered by this bill.

13. Your previous balance and payments

Under the **previous balance and payments** section, we've listed any payments you've made and balance brought forward to show how we've calculated the total charges for this bill.

15. Get help and support

Here you'll find information about payment assistance and interpreters for getting help in your language.

14. How we've calculated your charges and credits

The **new charges and credits** section is divided into units and prices for this billing period.

Time of use shows the time of day that the unit prices apply.

We list your new charges for your electricity or gas supply and usage, plus any credits, discounts, concessions, solar export and adjustments we've applied to this bill.

The final total charges amount shown here includes the applicable GST.

16. Find your payment amount here

This shows the amount due to pay, the due date and your reference number.
