1. Your fuel type

This shows what fuel type your bill is for.

2. Your account details

Your account number shown here is specific to your account, and you should quote it when you contact us with any queries.

3. We're here to help

If you need to make any changes to your personal details, it's easy to do so at any time on **My Account** or the **AGL app**.

For queries about your account, or for tailored assistance and advice, visit agl.com.au/help or call us.

If you experience a power outage or an unexpected loss of energy supply to your property, we've made it easy for you to find the contact number for your distribution company.

4. Clearly see what to pay and when

This shows the amount you need to pay and the payment date or when your direct debit is due.

If you are on Bill Smoothing, you'll see your instalment amount and frequency.

5. Could you save money on another plan?

We'll regularly check our generally available plans against your past energy use to see if you're on one of our low-cost plans.

We'll let you know if another AGL plan could save you more and how much you may save by switching. If you're already on one of our low-cost plans, we'll let you know that too.

6. Key information about your bill

Here you'll find out whether this is an electricity or gas bill, how often we send your bill and the supply address.

7. Choose how to pay your bill

We've also made it easy for you to pay your bill online at agl.com.au/payments or on the **AGL app**.

We offer several ways to pay your bill including Direct Debit, which takes the hassle out of paying your bills and helps ensure you always pay your bills on time.

If you're paying by cheque, remember to cut off this lower section of the bill as marked and include it with the cheque when posting.

If you're paying in person at a post office, simply present your bill so the barcode can be scanned to record your payment.

8. Find your reference number

In the centre of the payment slip you'll find your reference number. You'll need to quote this, when requested, for some payment methods.

17. How much energy are you using?

This chart explains how much gas or electricity you have used over the past 12 months (unless you've joined recently).

The blue line in the chart shows your monthly energy usage, while the purple line shows your energy export to the grid. This line will only appear if you have solar.

18. Find your meter read details here

In this section, you'll find your meter read details. These are used to calculate your energy bill for the billing period.

If you have a smart meter, your bills will be calculated using half-hourly intervals of data provided to us. To see your detailed usage, visit [My Account](https://agl.com.au/my-account) or download the [AGL app](https://agl.com.au/agl-app).

Under this table, you may also find important messages about your meter, including your next scheduled meter read date, or any issues encountered when gaining access to your property.

19. More information for you

You'll find plenty of useful information in this section, including how to contact us and where to find more information about how to manage your communications preferences and how to be more energy efficient.
